FOREWORD

THE 1928 Mortar Board first conceived the idea of publishing a booklet which would give the new students such information as they might wish and was difficult to gather in any other way. Because of the general need of such a booklet, Woman's League took over the idea and decided to publish this for all new University Women.

Woman's League wishes to thank the 1928 Mortar Board for the inspiration for the booklet and much of the work done and material used; Dean Maria Leonard for her helpful suggestions and encouraging praise; and the Illini Publishing Co., particularly Mr. Victor Krannert, for their aid in this work.

If all the alumni of the last fifty years were to come back to Illinois, marching in solid phalanx, class by class, each bearing its own contribution to its Alma Mater, of scholastic honors, Illinois traditions, and campus activities,—what a history replete it would reveal, one to be revered, to be loved and remembered.

Thus this little booklet comes,—a compilation of the “deals and ideals” of the University women reflecting the life and loyalty of the campus today, which have been built up from year to year and perfected year by year by the women students of dear old Illinois.

MARIA LEONARD,
Dean of Women.

DEDICATION

TO THE future Illini—those ever increasing number of freshmen who come each year—this booklet is dedicated with the hope that it may carry to them knowledge of that valuable part of their education not obtainable from books; that it may help to imbue in them the true Illini spirit; and that it may prove to be a source of information and inspiration to them all.

History of the University

The Illinois Industrial University was incorporated by the General Assembly of Illinois February 28, 1867, following the "Land Grant Act" of 1862. It was opened March 2, 1868, fifty students enrolling for the first term; the faculty consisted only of Regent John M. Gregory and two professors. The Trustees voted to admit women to the University on March 3, 1870, and in 1870-71, twenty-four enrolled. Authority was given to the University to confer degrees in 1877.

Under the first Regent, John M. Gregory who served from 1867 to 1880, progress was made, and the agricultural and industrial phases of the curriculum were emphasized. Selim Hobart Peabody, Regent from 1880 to 1891, secured the first state appropriation for the University for expenses of instruction, although Regent Gregory had secured funds for building. Under Regent Peabody, engineering courses were most popular and during his term of office the University was more a technical than an agricultural University. The name of the institution was changed in 1885 to the University of Illinois.

Regent Peabody retired in 1891 and Doctor T. J. Burrill acted as Regent until 1894 when Doctor Andrew Sloan Draper was elected President. Doctor Draper reorganized the general administration policies of the University so thoroughly and well that many of his plans have been in operation since, with little change. President Draper resigned in 1904, and was followed by Doctor Edmund James James, President from 1904 to 1920, Doctor David Kinley from 1919 to 1930, President Harry Woodburn Chase from 1930 to 1933, and President Arthur Daniels since 1933. Since President Draper's election the University has constantly grown and advanced. State and national funds have increased the building and instructional facilities until the University now stands as one of the most important universities of the United States.

ADMINISTRATION

The offices of the Dean of Men, President of the University, Registrar, Bursar, and Architect, and the business offices of the University are located in the Administration Building. The office of the Dean of Women is in the Woman's Building. The office of the College of Liberal Arts and Sciences is in University Hall; that of the College of Education in the Administration Building; and those of the rest of the schools and colleges are in their various buildings.

THE STUDENT COUNCIL

The Student Council is composed of the various presidents, editors, business managers, and leaders of the many campus activities and publications. This council guides campus life and makes suggestions for changes in administration.

Illinois Traditions

On the campus, several Illinois traditions are observed. Smoking is prohibited in all University buildings and on all University grounds from Springfield to Pennsylvania Avenues, and from Mathews Avenue to Wright Street. Illini do not "cut corner" on

campus; nor do they mar trees or shrubbery, pick flowers, deface buildings or walk on the grass. To do such is inexcusable in true Illini. An Illini man removes his hat immediately upon entering a campus building.

Illini do not leave before the end of an athletic contest. Courtesy and consideration for others prompts this tradition.

HONOR

The Honor System of conducting examinations is not at present in use in the University, but keeping personal honor high is the aim of all Illini in examinations, sports, and activities.

ILLINI CODE OF SPORTSMANSHIP

A true Illini sportsman will

Consider all athletic opponents as guests and treat them with all the courtesy due friends and guests.

Accept all decisions of officials without question.

Never hiss or boo a player or official.

Never utter abusive or irritating remarks from the sideline.

Applaud opponents who make good plays or show good sportsmanship.

Never attempt to rattle an opposing player, such as a pitcher in a baseball game or a player attempting to make a free throw in a basketball game.

Seek to win by fair and lawful means, according to the rules of the game. Love the game for its own sake and not for what winning may bring him.

“Do unto others as he would have them do unto him.”

“Win without boasting and lose without excuses.”

ILLINOIS LOYALTY

All Illini rise and men remove their hats whenever “Illinois Loyalty” is played or sung. No other song is thus honored.

SENIOR BENCH

The Senior Bench, the memorial of the Class of 1900 placed in front of University Hall near the Law Building, is for the exclusive use of Seniors and Graduates. No others may sit on it.

LINCOLN TABLET

Set in the floor of the lobby of Lincoln Hall is a copy of Lincoln's Gettysburg Address. Tradition and respect demand that no one step on the tablet.

ILLIBUCK

Illibuck, a big wooden turtle, is the bone of contention between Ohio and Illinois and must make his home with the team winning the annual Ohio-Illinois football tilt. Between halves Illibuck is brought onto the field to greet his present and future masters.

MORTAR BOARD

Some May morning the campus awakes to find the Mortar Board Scroll on the Senior Bench. On it are the names of those Junior women who have been selected for the honor because of activity, scholarship and character. On the day of their election, the new Mortar Boards wear caps and gowns as a sign of their selection. Later, tiny pins are the symbols of Mortar Board. It is customary with Mortar Board to serenade houses on the campus prior to their selection of members.

TORCH

The bright orange scarves of Torch are awarded to a number of sophomore women at one of the last band concerts in April. Torch is the honorary activity organization for Junior women, and its members are selected from active sophomore women on the basis of leadership, service, scholarship, character and friendliness. Each Wednesday, Torches appear on campus wearing their scarves, which are orange with a blue torch stencilled on one end and a blue University of Illinois monogram stencilled on the other. Also on Wednesdays, members of Torch serve at Woman's League tea.

MA-WAN-DA

Ma-Wan-Da, Senior men's honorary, hangs its arrowhead on the tree in front of University Hall on the Friday of Interscholastic week-end. It bears the names of those Junior men elected to membership because they have been prominent in student activities, are representative Illini men, and give promise of holding responsible campus positions their senior year.

SACHEM

In Indian garb, Sachem, Junior men's honorary, call forth their new members from the throng gathered to hear one of the spring concerts. Sachem members are chosen from sophomore men who have been prominent in activities and who show evidence of leadership and scholastic ability.

Annual Events

WEDNESDAY TEAS

Woman's League sponsors teas given every Wednesday throughout the school year in the upper parlors of the Woman's Building. Organized houses, the Groups, and Gold Feathers serve at these teas which offer splendid opportunities to make new friends and meet old ones.

CAMPUS SISTERS

The Y. W. C. A. and Woman's League co-operate to promote the Campus Sister Movement to help freshmen women and new students make friends at Illinois. Letters are written to all the new students during the summer and parties during the year enable Big and Little Sisters to play as well as work together.

CHIMES CONCERTS AND ORGAN RECITALS

Just at church time on Sundays and before Christmas vacation, the chimes in the Law Building tower, memorial of the class of 1914, are played. On Sunday afternoons between four and six, organ recitals are held in Smith Memorial Hall.

DANCES

Class dances: Freshman Frolic, Sophomore Cotillion, Junior Prom, Senior Ball, two nights in June.

Other annual dances: Mi-Hila, spring formal given by non-fraternity men and women on the campus; Military Ball, formal dance sponsored by the R. O. T. C.; Pan-Hellenic and Inter-fraternity Council give the Pan-Hellenic formal in late winter; "Them wot rates" attend Axe-Grinders Ball, which is sponsored by Sigma Delta Chi; Town Crier's is an informal dress affair; All Fools is a spring formal sponsored by the dramatic organizations; Fine Arts is a masked ball given by Pierrots, Mask and Bauble, Arepo, and the College of Fine and Applied Arts.

PRESIDENT'S WELCOME

At an assembly held in the New Gymnasium the last night of Freshman Education Week, the President of the University welcomes the incoming class. Prominent campus leaders, members of the administrative council, athletic coaches, and other notables are introduced. Cheers and songs, finishing with the entire assembly singing "Illinois Loyalty" ends the welcome.

TRIAL OF PEG FAIRFAX

Early in the semester, Woman's League holds a convocation of all freshman women and new students and presents to them a pageant entitled "The Trial of Peg Fairfax." The purpose and functioning of the various campus activities are explained and their respective leaders introduced. Copies of *ILLINÆ LEAVES* are also distributed at this time.

SANS SOUCI

Shortly after registration in the fall, W. A. A. sponsors Sans Souci, a pep meeting and reception for freshmen. It is held on the women's athletic field, and all University women are invited to meet the newcomers.

HOMECOMING

Homecoming, held the week-end of one of the big home football games, is the occasion which calls back all the alumni. Houses are decorated to welcome the guests; a Hobo parade permits Illini senior men to show their true tastes; Mask and Bauble presents a play; the annual Homecoming Stunt Show is held; Alumni meet by classes in the Armory; and the football game completes the week-end.

Just before the big game, taps sounds from the high walls of the Memorial Stadium in honor and memory of the Illini dead in the World War. The Memorial Stadium is not a state building as are the rest of the University buildings. It was built by the students to honor their former mates fighting in France.

The time between the halves of the game marks the first appearance of the complete band—Concert, First, and Second Regimentals—and our Illini Indian. Homecoming is jointly managed by committees of Woman's League and the Illinois Union.

DAD'S DAY

Illini Dads are welcomed to the campus on their day, specially chosen at the time of a big game. Classes are open to them and a meeting of the Dad's Association is held Saturday evening in the gym at which the Dean of Men and members of the Dad's Committee speak. The football game Saturday afternoon holds a place of prime interest, dinners with sons and daughters and a dance or a show with them makes the glimpse of college life nearly complete. Special programs in the churches on Sunday ends the program. Committees for Dad's Day are appointed by the Illinois Union and Woman's League.

DOLL SHOW

The main pre-Christmas event sponsored by the Y. W. C. A. is the annual Doll Show in which organized houses, groups, and individuals dress dolls and compose scenes in accordance with a general theme. Following the show the dolls are presented to the Association house in Chicago where they are distributed to families with whom the organization is in contact. Cups are awarded to houses, groups, and individuals making the best scenes and dressing the best dolls.

WOMAN'S LEAGUE PRODUCTION

Each year Woman's League sponsors a dramatic production of some sort to raise funds for the maintenance of the three co-operative houses, Adpha, Beta, and Campbell Cottage. These productions have the form of Welfare Operettas, Fashion Revues, and Musical Comedies. It is the University Women themselves who plan, direct, and supervise the entire production with aid of a faculty adviser. Men are now admitted to the cast.

TWILIGHT BAND CONCERTS

Among the most delightful of the Illinois traditions are the Wednesday evening band concerts given during the spring. Beginning the first Wednesday after Easter vacation, these concerts are held on the steps of the Auditorium from seven till eight o'clock.

MOTHER'S DAY

The week-end of National Mother's Day Sunday is known at Illinois as Mother's Day week-end. Illini Mothers are guests on the campus. After Shi-Ai Sing, the Mask and Bauble play, a Mother's meeting, reception, the May Fete, and Terrapin Water Carnival, the week-end culminates with quiet Sunday morning church services.

ORCHESIS

W. A. A. plans to sponsor an Orchesis program on Mother's day instead of the traditional May Fete. A queen will be selected by popular vote, crowned on the steps of the Auditorium with a processional of senior women on the broadwalk. Orchesis is an organization made up of girls who dance for the pure love of dancing.

SHI-AI SING

An inter-sorority Sing sponsored by Shi-Ai, a sophomore inter-sorority honorary society, is held on Friday night of Mother's

Day week-end. A cup is awarded to the sorority receiving highest honors.

INTERSCHOLASTIC

Interscholastic track meet is held here at the University some week-end in May. For the entertainment of the high school visitors present to see the meet, the University usually has two baseball games. The Y. W. C. A. Stunt Show and the Circus are other attractions of the week-end.

STUNT SHOW

A stunt review in which organized houses and individuals carry out a part of a general theme, is one of the annual spring functions sponsored by the Y. W. C. A. Cups are awarded to houses and individuals presenting winning stunts.

INTERSCHOLASTIC CIRCUS

On the Saturday evening of this week-end, the fraternity houses and individual men present the Interscholastic Circus in the Stadium. Clowns caper, acrobats act, and fireworks sputter in an attempt to entertain the guests.

SACHEM SING

Fraternities gather on the steps of the Auditorium on the Friday evening of Interscholastic week-end, just at dusk, to compete for first cup in a Sing sponsored by Sachem, Junior men's honorary.

HONORS DAY

At the close of each year those students who distinguished themselves by scholastic achievement are recognized and honored at a convocation in the Auditorium for which all classes are dismissed. The bronze tablet, bearing the names of those seniors who have been outstanding in scholarship in their junior and senior years, is unveiled at this time. All honor students' names appear on the program, and all organization awards for academic work are made at this time also.

MILITARY DAY

On the Friday preceding final examinations in the spring, all military students parade and maneuver in uniform for the Council of Administration, Faculty, and general student body.

Activities

WOMAN'S LEAGUE

The purpose of Woman's League as stated shortly after its founding in 1890 is "To further a spirit of unity among University Women." The membership is unlimited, registration alone making a girl eligible. To Woman's League falls the pleasure of working with the Y. W. C. A. in the Campus Sister Movement. Besides the letters written during the summer, Group Mixers, and All-University Mixers held during the year, aid the Wednesday teas in bringing closer together all the women on the campus. Woman's League working in close harmony with the Illinois Union helps plan for and manage Homecoming, Dad's Day, and Mother's Day celebrations.

Woman's League maintains three co-operative houses where girls may cut their living expenses about half. Applications to live in Alpha, Beta, and Campbell Cottage may be made through the office of the Dean of Women. The proceeds from the annual spring productions sponsored by the League go to maintain these houses.

Probably the most important part of Woman's League work is that done in the Group System and in the two underclass organizations, Orange and Blue Feathers, and Gold Feathers, which jointly maintain a scholarship fund for deserving women students.

THE WOMAN'S GROUP SYSTEM

The Woman's Group System, an integral part of the Woman's League, extends an invitation to all independent women to become a member of one of the twenty groups within the Group System. W. G. S. is the only organization of its kind on any campus.

The president of W. G. S. is the vice-president of Woman's League. The president of each group is a member of the First Council of Woman's League, and the group presidents, the six district chairmen, and all group system committee chairmen compose the Second Council of Woman's League, which is the governing body of W. G. S. The six district chairmen, the president and secretary of W. G. S. compose the Woman's Group System Executive Council, which appoints committees and acts as an advisory board for all group activities. The groups are named for old Greek mythological characters. Membership is entirely voluntary.

Group activities are for the most part social, for the purpose of developing leadership and friendship among the University women. The groups meet regular every Monday evening. Teas, All-Group parties, athletic events, informal dances, and Mi-Hila, a spring formal, are sponsored by W. G. S. Group Seniors are honored in the spring at the Annual All-Group banquet, at which time Group trophies are also presented.

W. A. A.

Women's athletics on the University of Illinois campus are of major importance. Membership in the Woman's Athletic Association is obtained by participation in one sport. W. A. A. has a manager for each sport. Besides class competition we have an intramural system of house and group competition. Watch the *Illini* for notices of pep meetings for your favorite sports, go to the meeting, meet your managers and future teammates and sign up for practice. W. A. A. sponsors an annual spring banquet.

ORANGE AND BLUE FEATHERS

Freshman women will find in Orange and Blue Feathers a splendid opportunity to get into activities properly and to make new friends, the three-fold purpose of the organization being to promote friendship, scholarship, and encourage participation in campus activities. All freshman women who have paid their Woman's League dues, and who have satisfied the requirements of Orange and Blue Feathers are eligible for membership. The requirements are a C average, attendance at least at two meetings a month, and a passing grade on the Freshman Education quiz.

GOLD FEATHERS

Following in their first year steps, sophomore women find that Gold Feathers broadens the aim of Orange and Blue Feathers with the addition of loyalty and democracy to friendship, scholarship, and activity. Gold Feather girls are leaders and are recognized as such. Their meetings are held on the first and third Thursdays at 4:45. The requirements for initiation are: each girl must maintain a C average, she must not miss more than two consecutive meetings, she must have 100 activity points, she must serve 12 hours during the year at Woman's League Teas, she must make 4 short speeches and she also works on two inside drives and one outside drive for Woman's League.

FIRST COUNCIL

The presidents of organized houses, General Chairmen of Woman's League committees, the Executive Council of Woman's League, which includes the president and vice-president, corresponding secretary, financial secretary and the junior and senior representative, presidents of W. A. A., Y. W. C. A., and Pan-Hellenic, make up the first council of Woman's League. It is the general governing body of the League and informs the organized houses of League policies and affairs, and any announcements pertaining to University women may be made at First Council meetings.

SECOND COUNCIL

Second Council is for the Groups only, and serves the same purpose for Group girls as does First Council for organized girls.

ILLINOIS UNION

Corresponding to the Woman's League is the Illinois Union for men. Founded in 1909 "to promote Illinois Spirit by all possible means and to foster all legitimate forms of student activities," the Union is today a power on the campus. Any University man is eligible to membership and committee positions are filled on the Merit System.

PUBLICATIONS

Daily Illini—Daily newspaper, offices in the Union Building and in University Hall.

Illio—Annual Yearbook, offices in University Hall.

ATHLETICS

Women's athletics on the University of Illinois campus are of major importance. Membership in the Woman's Athletic Association is not a difficult matter to anyone interested in sports for all kinds are offered here. W. A. A. has a manager for each sport. Watch the *Illini* for notices of the pep meetings for your favorite sports, go to the meeting, meet your managers and future teammates and sign up for practice. W. A. A. sponsors social life as well with Sans Souci in the fall, sport banquets during the year following the close of each season, and an annual spring banquet.

DRAMATICS

The Illini Theater Guild, composed of representatives from Mask and Bauble, Pierrots, Faculty Players' Club, Woman's League, and the Y. W. C. A. with two or three faculty members, passes on all plays presented by various organizations on the campus. In addition the Guild financially backs the productions, making good all losses and absorbing all profits.

Mask and Bauble, honorary and professional dramatic organization, presents at least three plays a year—one on Homecoming, one Mother's Day and one sometime during the year.

Pierrot's Spring Opera is eagerly anticipated by the campus. All parts in the cast are taken by men and the opera itself is the work of students competing for the honor.

Several times during the year the Faculty Players present plays. Students enjoy the faculty productions equally as well as does the faculty.

THE LEAGUE OF WOMEN VOTERS

The New Voters' League in the University is a branch of the Illinois League of Women Voters, a non-partisan organization to foster education in citizenship for women. The New Voters' League, a group of campus women interested in the practical affairs of government, was organized to educate the student in personal citizenship and to teach her to assume leadership in the work of her community. It is sponsored by the Citizenship committee of Woman's League.

Y. W. C. A.

The Y. W. C. A. is a campus organization, which offers itself as a stimulating center for friendship, creative activity, and growing understanding of religion. Its purpose is realized in its informal fireside meetings, Girl Reserves, world forums, social functions, current events, and vocational guidance groups. Freshman discussion groups endeavor to acquaint freshman women with the campus and solve problems which confront them. Projects such as stunt revues, Doll Show, and arts and crafts afford an excellent opportunity for outlet of talents.

Y. M. C. A.

Similar to the Y. W. C. A. purpose is that of the Young Men's Christian Association. The work done with freshmen men is done

through Camp Seymour, open just previous to registration. Discussion of campus problems comes at the Freshman Fellowship Groups. A very efficient employment bureau is maintained by the Y. M. C. A.

RELIGIOUS FOUNDATIONS

The various churches of the state have built foundations, established to promote religious and social work among the University students. These are: Wesley Foundation, founded for Methodist students; Hillel Foundation for Jewish students; Illinois Disciples Foundation for Christian Disciples; and McKinley Foundation for Presbyterian students. Newman Hall is a residence hall for men maintained by the Catholic Foundation.

PAN-HELLENIC

Greek letter sororities of the University have been organized in a Pan-Hellenic Association since 1900. It is composed of two representatives from each house. Meetings are held on the second Monday of each school month. The Association has complete control of all inter-sorority matters such as rushing and pledging, organization and management. Each year Pan-Hellenic holds a Ball in conjunction with the Inter-Fraternity Council.

Songs

ILLINOIS LOYALTY

We're loyal to you, Illinois,
We're "Orange and Blue," Illinois,
We'll back you to stand
'Gainst the best in the land,
For we know you have sand,
Illinois. Rah! Rah!

So crack out that ball, Illinois,
We're backing you all, Illinois,
Our team is our fame protector;
On! boys, for we expect a
Victory from you, Illinois.
Chehee, cheha, cheha-ha-ha,
Illinois, Illinois, Illinois.

Fling out that dear old flag of Orange and Blue,
Lead on your sons and daughters fighting for you
Like men of old, on giants,
Placing reliance,
Shouting defiance—
Oskee-wow-wow.

Amid the broad green plains that nourish our lands,
For honest labor and for learning we stand,
And unto thee we pledge our heart and hand,
Dear Alma Mater, Illinois.

HAIL TO THE ORANGE

Hail to the Orange,
Hail to the Blue,
Hail Alma Mater,
Ever so true.
We love no other,
So let our motto be:
Victory, Illinois,
Varsity.

PRIDE OF ILLINI

We are marching for dear old Illini,
For the men who are fighting for you.
Here's a cheer for our dear Alma Mater,
May our love for her ever be true,
When we're marching along life's pathway,
May the spirit of Old Illinois
Keep us marching and singing with true Illini spirit,
For our dear Old Illinois.

COLLEGE DAYS

A youth resolved to go to college,
But he knew not where to go ;
He asked of all his friends and teachers,
Each told him so and so.
At last, just as he was despairing,
And wond'ring what to do,
He met a debonair young fellow,
Who spoke these words so true :

Chorus

Sing me a song of college days,
And tell me where to go ;
Northwestern for her pretty girls,
Wisconsin where they row ;
Michigan for chappies,
Purdue for jolly boys ;
Chicago for her Standard oil,
For good fellows, Illinois !

So in the following September
He went to Illinois ;
They ducked him in the muddy Boneyard,
They cut his hair off short,
And now he knows the full, true meaning
Of college to the boys,
And so with many, many others,
He swears by Illinois.

FOR GOOD OLD ILLINOIS

Hail Alma Mater, cheer our Varsity,
To all her standards pledge fidelity,
There is no better in the land,
Fight for her vic-tries, back her ev'ry man.

Chorus

Here's to Alma Mater,
Here's to Illinois,
Here's to her vict'ries noted far and wide,
Here's to her colors, Orange and the Blue,
By thy rivers gently flowing, Illinois, Illinois,
We will pledge to thee where'er we be,
For good old Illinois.
Os-ke-wow-wow, Os-ke-wow-wow, for Illinois,
Skin-ne-wow-wow, Skin-ne-wow-wow, to Illinois.
Here's to you, here's to you, good old Illinois.

OSKEE-WOW-WOW

Old Princeton yells her tiger,
Wisconsin her 'varsity,
And they give the same old Rah! Rah! Rah!
At each university;
But the yell that always thrills me,
And fills my heart with joy,
Is the good old Oskee-wow-wow,
That they yell at Illinois.

Chorus

Oskee-wow-wow, Illinois,
Our eyes are all on you,
Os-kee-wow-wow, Illinois,
Wave your Orange and your Blue.
Rah! Rah!
When the team trots out before you,
Every man stand up and yell,
Back the team to gain a victory,
Oskee-wow-wow, Illinois.

DORMITORIES

The Women's Residence Halls, maintained by the state, are of those women, residents of the State of Illinois, who wish to live in some organized house other than a sorority. The two buildings are modern in construction and conveniences. Main Hall, the older, and West Hall each have a capacity of approximately one hundred and fifty.

Davenport House is another University dormitory. It has a capacity of about sixty girls.

McKINLEY HALL

McKinley Hall is maintained by the University Y. W. C. A. It is located in the Y. W. C. A. building at Wright and John Streets.

CHURCH HOUSES

Presbyterian Hall and Congregational House for members of those faiths and Bethany Circle for members of the Christian Church, are the only church houses maintained for campus women.

GROUP HOUSES

Two of the groups have houses; they are Warner Hall and Achæa. The other groups are composed of girls living in a variety of officially approved boarding houses.
